Colors.

Gmund Cotton Colors

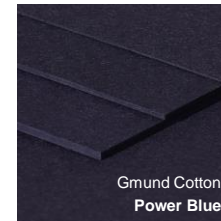

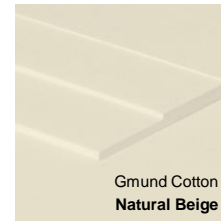

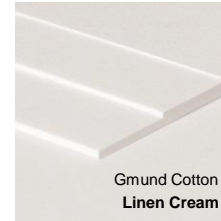

GMUND

Gmund Cotton Colors

Gmund Cotton offers a palette natural and plain color tones:

- Linen Cream is as delicate and fine as a snowy white cotton ball
- Shiny Cream, a touch of metallic enlivens
- New Grey tends toward a grayish hue, but without sacrificing its warm character
- Power Blue looks as though airy cotton has been immersed in the deep blue of the sea
- Gentlemen Blue has the same shade as an elegant business shirt
